

Come Join Us for Gardening Seminars!

MSU Extension Oakland County will be hosting 3 seminars presented by well-known gardener, Janet Macunovich. They will be held at the Oakland County Executive Office Conference Center, 2100 Pontiac Lake Road, Waterford from 6:30 to 8:30 pm. Each class is \$20 per person.

June 24- The Busy Gardener. Tips for the gardener who wants to make the best use of precious time and money. Janet will present ideas and answer questions to help you get your garden, shrub and lawn work done in the spring in ways that will make summer more relaxing and beautiful.

July 22- Best Foot Forward: Ideas for Entrance Gardens. Put that best foot forward by making your entry gardens truly grand. Janet tours the audience through many beautiful dooryards, courtyards, side passages, and main entry ways, explains what makes them great and tells how the best features from each can be transplanted to a place of honor outside your front door, gate, arbor, patio steps or other entry.

August 26- Never Stop Growing: In Pursuit of Low Maintenance, All the Years of Our Lives. Here's a look at what you can do to reduce the work you do in your yard and how to keep it up even as your physical abilities change. Although there isn't any such thing as a *no* maintenance garden, there are low maintenance gardens and yards and different approaches that reduce work by making tasks simpler or physically easier. You may be surprised at how much difference you can make with design modifications, variations in tools and timing and more. These tips come to you from 30-year professional gardener and writer, Janet Macunovich with lots of input from those with even more seniority.

MSU is an affirmative action/equal opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.
