County

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents.

Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.
